

## Overview

The Jessie Petite Dual Motor Lift Chair, with its three cushion-filled back, delivers the perfect level of comfort from the very first recline. An electrically adjustable headrest allows you to find the ideal position for watching TV or reading a book—even when fully reclined—while still providing excellent neck support. When you're ready to lie completely flat at 180 degrees, elevate your relaxation even further by activating the built-in massage and soothing heat function. Simply sit back, unwind, and enjoy total comfort and support. After something bigger, try the Jessie.
